

SONGWRITERS ACADEMY

Intensive Summer Courses for Songwriters aged 16–21

Raise your game as a songwriter and uncover your unique voice

Develop specialised skills through a unique series of seminars and workshops

Meet like-minded writers in an exciting collaborative environment

Work with experienced, professional and inspiring tutors

Create a new song and take away a professionally recorded demo

GET THE RIGHT TOOLS

Deepen your understanding of how a song works through a unique programme of seminars, workshops and on-site writing sessions.

THINK LIKE A WRITER

Explore what it means to be creative, cultivate your own working methods and set your imagination free.

EXPLORE WITH CONFIDENCE

Use our supportive, stimulating environment to leave your comfort zone and create fearlessly and independently.

INSPIRE AND BE INSPIRED

Create new work surrounded and inspired by like-minded songwriters. Roadtest what you make and use the group's responses to make it better.

GET PERSONAL

Uncover your unique voice by writing about what matters to you. You'll choose and discover your own path: we just help you find the map.

PUSH YOURSELF

Raise your game and discover what you're really capable of. Rise to the challenge of writing a song in a week.

AN INTENSIVE INSPIRING WEEK

Participants become part of a professional, inspiring and non-judgemental group of talented young songwriters who all help each other reach the next level as artists.

Writers attend daily Monday–Thursday 10am–4pm. The week culminates in a Showcase of participants' work on Friday at 7.30pm, and writers will be called in for rehearsals during the day.
