TEEN WORKSHOP

Hands up if you'd like to have more teenagers choosing to visit your museum or gallery? Want to invite them into your gang but don't know where to start? Then Teen Workshop is for you.

What will you get out of attending the Teen Workshop?

- simple, practical ideas to make your museum more inviting for teenagers
- understanding of your teen audience and what you can offer them
- different groups and organisations to work with

[BOOK NOW!](#)

NEW YOUTH PANEL WORKSHOP

Want to hear how you can set up a Youth Panel from an actual Youth Panel?

The Geffrye Museum's Youth Advisory Panel (known as YAP) have created a useful tool in partnership with Kids in Museums, How to set up a Youth Panel leaflet. To take this forward we are now running a practical workshop which will provide valuable tips and resources transferable for any museum or gallery. So come along for the afternoon to get expert advice and hear directly from the YAP members.

What will you get out of attending the Youth Panel Workshop?

- Insight into what a Youth Panel can do for your organisation
- Better understanding of your teen audience and how to launch a Youth Panel
- Knowledge on what is needed to make a Youth Panel
- Replicable tips and advice

Our workshops are great for people working in: Family Learning, Education, Visitor Services, Marketing, Interpretation, Volunteer Management, Audience Development.

To book simply fill in the online booking form at the bottom of the web page
