[Breakin' Convention](#) represents the origins and evolution of hip hop culture from around the world and around the corner. It is world renowned for hip hop dance theatre. Through its international festivals and professional development programme, Breakin' Convention is at the vanguard of the global development of hip hop theatre. Supporting the artistic vision of hip hop theatre pioneer Jonzi D, Breakin' Convention produces its flagship annual festival at Sadler's Wells, one of the most prestigious platforms for dance theatre in the world. Since its inception in 2003 the festival has been pivotal to the development of the global hip hop theatre scene; touring nationally since 2007 and internationally since 2013, Breakin' Convention has reached live audiences of over 100,000.
