KS2 DRAMA & VISUAL ART TEACHER TRAINING

Looking for inspiring ways of teaching across the curriculum?
Look no further.

Join us for a day at **Greenwich & Lewisham Young People's Theatre**, where we will focus on using **Drama & Visual Art** across the curriculum.

Working with professional artists in hands-on workshops, you will improve your confidence in using the arts in the classroom, learn activities and techniques to use across the curriculum, and come away with a resource book covering 6 art forms.

The Prince's Foundation for Children & the Arts has been running Catalyst days across the UK for 5 years. In 2013, 99% of teachers felt

"It is the best CPD that I ever had & I have used everything I learned.
I felt like I had been given a creativity injection."
