

Young Challenge Group

2021-2022 Role Overview

The Young Challenge Group is a year-long responsibility encompassing six meetings between September 2021 and July 2022. If these meetings are face-to-face, they will be hosted at A New Direction's offices on Worship Street, EC2A 2EA and travel expenses will be provided. A New Direction is committed to making meetings as accessible as possible.

About A New Direction

A New Direction is an award-winning non-profit organisation working to enhance the capacity and agency of children and young people in London to own their creativity, shape culture, and achieve their creative potential.

We do this by working with a diverse range of partners, making connections, sharing practice, influencing change, improving the ecology that surrounds children and young people, and by providing real and transformative opportunities - from childhood, through school years and into employment.
